## END-USER LICENSE AGREEMENT

- b)** exported The Software to any jurisdiction where licensor may not enforce his rights under this agreements in; or
- c)** was in breach of any of this license's terms and conditions and such breach was not cured, immediately upon notification; or
- d)** is in breach of any of the terms of this license; or
- e)** otherwise entered into any arrangement which caused Licensor to be unable to enforce his rights under this License. Licensee may terminate the License at any time by destroying all copies of The Software in its possession. The License will automatically terminate if Licensee fails to comply with any term or condition of this Agreement, except when breach of the terms and conditions is cured immediately.

### **V. Non Assignable & Non-Transferable**

Licensee may not assign or transfer his rights and duties under this license.

### **VI. Privacy Notices**

The Software automatically communicates with Licensor for three purposes:

- a)** updating The Software;
- b)** sending error reports;
- c)** sending anonymised usage data so that Licensor may improve The Software and any other services or products it provides.

### **VII. Liability**

To the maximum extent permitted by applicable law, Licensor provides The Software "as is" and hereby disclaims any warranties, whether express, implied, or statutory, including, but not limited to, any implied warranties, duties or conditions of merchantability, of fitness for a particular purpose, of reliability or availability, of accuracy or completeness of responses, of results, of workmanlike effort, of lack of viruses, and of lack of negligence, all with regard to The Software, and the provision of or failure to provide support or other services, information, software, and related content through the The Software or otherwise arising out of the use of The Software. In no event shall the Licensor or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use the The Software, even if advised of the possibility of such damage.

### **VIII. Indemnification**

Licensee hereby warrants to hold Licensor harmless and indemnify Licensor for any lawsuit brought against it in regards to Licensee's use of The Software in means that violate, breach or otherwise circumvent this license, Licensor's intellectual property rights or Licensor's title in The Software. Licensor shall promptly

notify Licensee in case of such legal action and request Licensee's consent prior to any settlement in relation to such lawsuit or claim.

### IX. Governing Law, Jurisdiction

This License is governed by the laws of Austria. Licensee hereby agrees not to initiate class-action lawsuits against Licensor in relation to this license and to compensate Licensor for any legal fees, cost or attorney fees should any claim brought by Licensee against Licensor be denied, in part or in full.

### X. Entire Agreement

This License (including any addendum or amendment to this License which is included with The Software) is the entire agreement between Licensee and Licensor relating to the The Software and support services (if any), and it supersedes all prior or contemporaneous oral or written communications, proposals, and representations with respect to The Software or any other subject matter covered by this License. To the extent the terms of any Licensor policies or programs for support services conflict with the terms of this License, the terms of this License shall control. If any part of this Agreement is held invalid or unenforceable, that part will be construed to reflect the parties' original intent, and the remaining portions will remain in full force and effect.

### XI. External Licenses

Parts of The Software use software developed by third parties.
