ANGELBIRD

Logo

A combined image/word-mark logo is provided to authorized Angelbird partners for use as directed. Independent editing of the logo is to be avoided.

Logo
Protection Zone

As outlined below, there exists a defined space surrounding the logo, in which no other graphic elements are allowed.

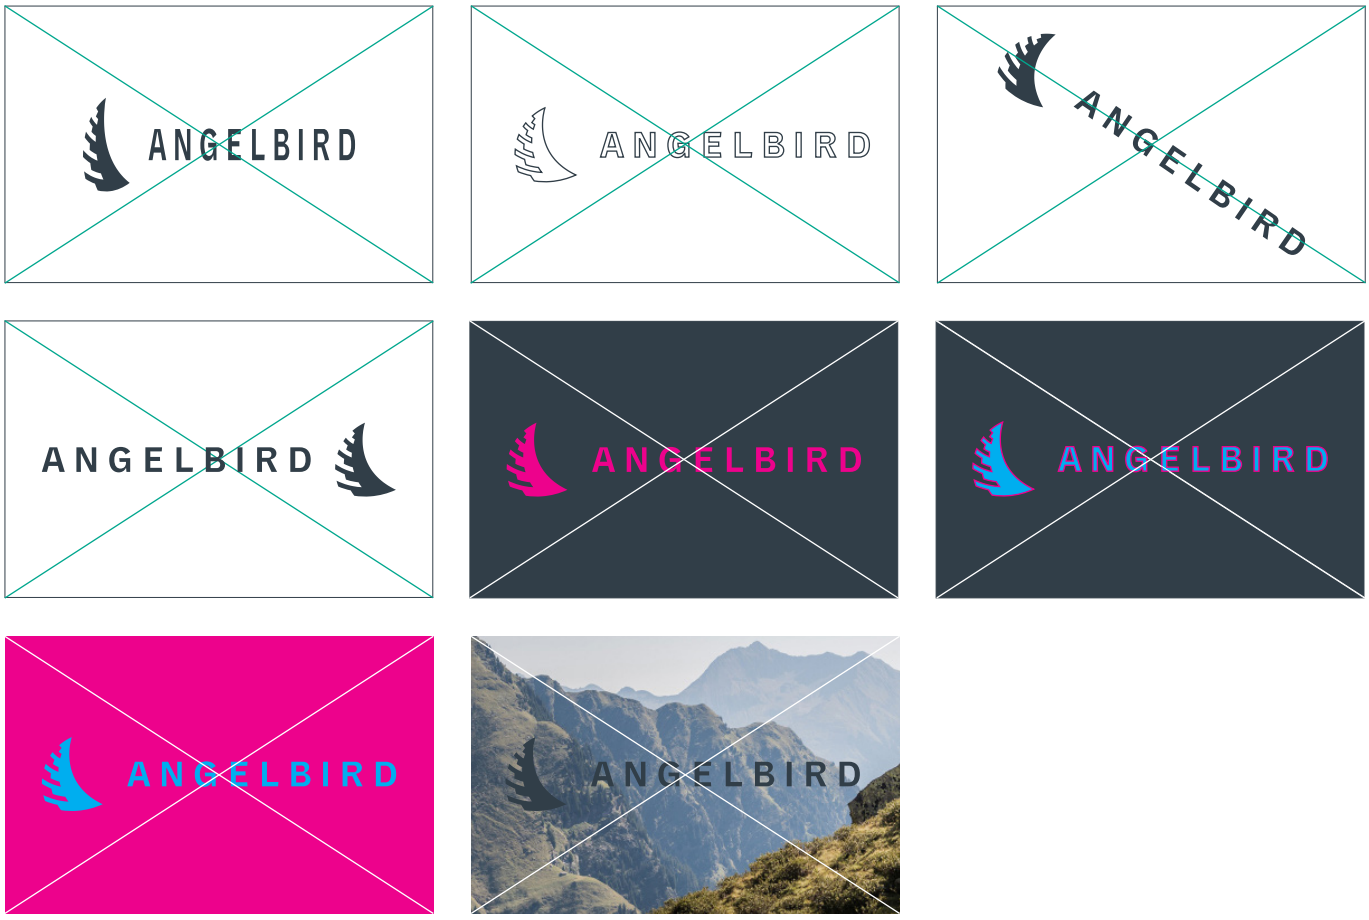

Logo Don‘ts

The individual elements of the logo may not be altered in any way.

For example, the wing may not be rotated, compressed, mirrored, or distorted in any way.

Positioning of the logo elements on a “busy” background is not allowed. This applies to photo backgrounds, patterns, gradients, and graphics.
